Screen Actors Guild – Producers Pension and Health Plans taps Vitech/V3 for new Premium Accounting System

May 3, 2010 (New York) – Vitech Systems Group, Inc., a leading provider of software solutions for benefits administration, announced today that the Screen Actors Guild-Producers Pension & Health Plans (SAG-PPHP) has selected Vitech's V3 Benefits System as its new Eligibility and Premium Accounting solution.

This is an expansion of Vitech's existing relationship with the SAG-PPHP organization. SAG-PPHP presently uses V3 for health claims administration and customer service. The new Eligibility and Premium Accounting project is presently underway.

"This is an important undertaking that will help us consolidate platforms, update existing technology and advance the service levels that we are able to offer to our participants," said Kevin Donnellan, CIO of SAG-PPHP. "We chose V3 based on its outstanding features and our confidence in Vitech as a systems integrator."

V3 is a widely installed, enterprise-class solution for group benefits administration including enrollment, billing, benefits processing, benefits payment and other enterprise functions. SAG-PPHP has contracted with Vitech for both the V3 Software and all professional services related to the V3 implementation.

"We are so pleased that SAG-PPHP has selected V3 as its new Premium Accounting solution," said Krishna Rathi, Vitech's regional practice lead. "SAG-PPHP is a premier organization and this will be an extremely successful implementation."
